RESPONSE to REQUIREMENT of RESTRICTION

Dear Sir:

In response to the Office action dated September 19, 2008, in the above-identified application, Applicant elects a single invention for further prosecution on the merits. To expedite prosecution of this case, Applicant elects, without traverse, the invention of claims 1-18, drawn to a drive circuit for an injector arrangement having at least one injector, for prosecution on the merits. Accordingly, Applicant withdraws claims 19-29. No new matter is added. Consideration of the claims on the merits is respectfully requested. Early and favorable action is further requested.

The current status of the Claims is reflected in the listing of claims, which begin on page 2 of this paper.

Remarks begin on page 8 of this paper.
